August 2nd, 2018

Dear Jack,

We are pleased to make a donation for \$435 from Kawartha Whitewater Paddlers club. This amount matches the costs to sponsor one young person to attend the Coop's Rippers Program, for 10 to 16 year olds. Our club raised these funds through our annual paddling event, Marmora Area Canoe and Kayak Festival (MACKfest). You will receive separately an email with the details for an e-transfer for this amount, from our Treasurer Bryan Brassington.

Thank you for the good work achieved through Paddlers Coop, in educating young people in enjoying whitewater.

On behalf of KWP Board and club members,

Sincerely,

Simon Dadds  
KWP Board Secretary and Website Management
